

The People's **MOST WANTED**

SHIVANI TRIVEDI **UNION COUNTY ASSISTANT PROSECUTOR**

WANTED FOR:

*** PROTECTING A RAPIST * & CRIMINALIZING A SURVIVOR**

Assistant Prosecutor Shivani Trivedi of the Union County Prosecutor's office has been going after Kam, a rape survivor facing up to 18 months in prison for making an Instagram post about a serial rapist who has been terrorizing Union County for years. Trivedi is claiming Kam was "cyber harassing" him meanwhile she hasn't bothered to investigate him even though multiple people came forward saying he raped them. Trivedi is not only letting this Union County rapist walk free but she's also doing his bidding for him by criminalizing a survivor. We must expose her for her crimes against the people.
