## JUSTICE FOR KOHEN WILEY

**Pigs shot into his Mom's  
car over allegedly stolen

**HUNTER FOSTER, SENATOBIA  
POLICE OFFICER, MURDERED  
KOHEN WILEY, A 1 YEAR OLD  
BABY, THIS PAST SUNDAY,  
JUNE 14TH. WHILE  
RESPONDING TO A  
SHOPLIFTING CALL FROM  
WALMART, FOSTER OPENED  
FIRE AT A CAR WITH KOHEN,  
KOHEN'S MOM AND AUNT  
INSIDE.**

The pigs allege that they attempted to stop the family while they were driving away from Walmart with the diapers Walmart employees claim they stole, a claim the family refutes.

The family drove themselves to a hospital where Kohen was declared dead and one of the adults has been in critical condition. Foster had hopped between law enforcement departments in Mississippi escaping accusations of excessive force and using racist slurs. As horrifying as this act is, it is not surprising police who never face consequences are emboldened to shoot at a 1 year old.

**Kohen's family is rightfully outraged and demanding justice for their baby. Pigs shooting indiscriminately into a car with a baby inside is murder! Kohen deserves millions of people to flood the streets around the country to demand justice and his murderer to be in jail!**

**"WE NEED A GEORGE FLOYD  
MOVEMENT. WE NEED PEOPLE OUT IN  
THE STREETS EVERY TIME THE PIGS  
STEAL OUR LOVED ONES' LIVES AND TRY  
TO JUSTIFY THEIR MURDERS,"**

TIMOTHY GLAZE MURDERED BY  
CHICAGO POLICE IN 2025*

Last night hundreds of people poured into the streets of Senatobia demanding justice for Kohen. They were met with riot police who eventually dispersed the crowd with tear gas.

Mississippi Bureau of Investigations is already trying to cover the police's tracks by slow rolling the investigation and release of body camera footage. It is our responsibility to ensure that they are unable to sweep this heinous murder under the rug by getting into the streets like we did in 2020 and demanding killer cop Hunter Foster be jailed on murder charges!

If 2020 taught us anything, it's that rebellion is what got Derek Chauvin convicted and locked up. Not peaceful protests, a lawsuit, reforms, or the word of a politician. But to go beyond locking up just one killer cop, we need a mass movement against the whole system that allows these killings to continue.

**It's time to take action!** Get into the streets around the country and protest Kohen's Murder! Expose the epidemic of police brutality and its countless victims! Join Dare to Struggle and FDJ to get organized against police brutality.

**Contact DTS and FDJ to learn more about how you can join the movement!**

**NO MORE STOLEN LIVES!  
JAIL KILLER COPS!  
JUSTICE FOR KOHEN WILEY!**
